

## Intersections

### Intersections

Welcome to this **Perfect Driver** course. Throughout this course, we are going to look at the law, skills, techniques, and ideas to help you become a better, and safer driver.

In this lesson, we'll look at **Intersections**.

### Intersections

Let's take a closer look at  
**Intersections.**

## Intersections

### Intersections

**Intersections** are where two or more roads meet.

The rules of the intersection are most often determined by traffic lights, stop signs, give way signs, in conjunction with other signs (such as **No Left Turn**, or **U Turns Allowed**).

In this lesson, we'll be looking at some of the signs on the road itself.
