The **Stop Sign** is found around the world - and it means exactly what it says. At a **Stop Sign**, you absolutely must:

- Stop.
- Look in all Directions, and Give Way to Appropriate Traffic and Pedestrians.
- Proceed Through the **Stop Sign** when it is safe to do so.

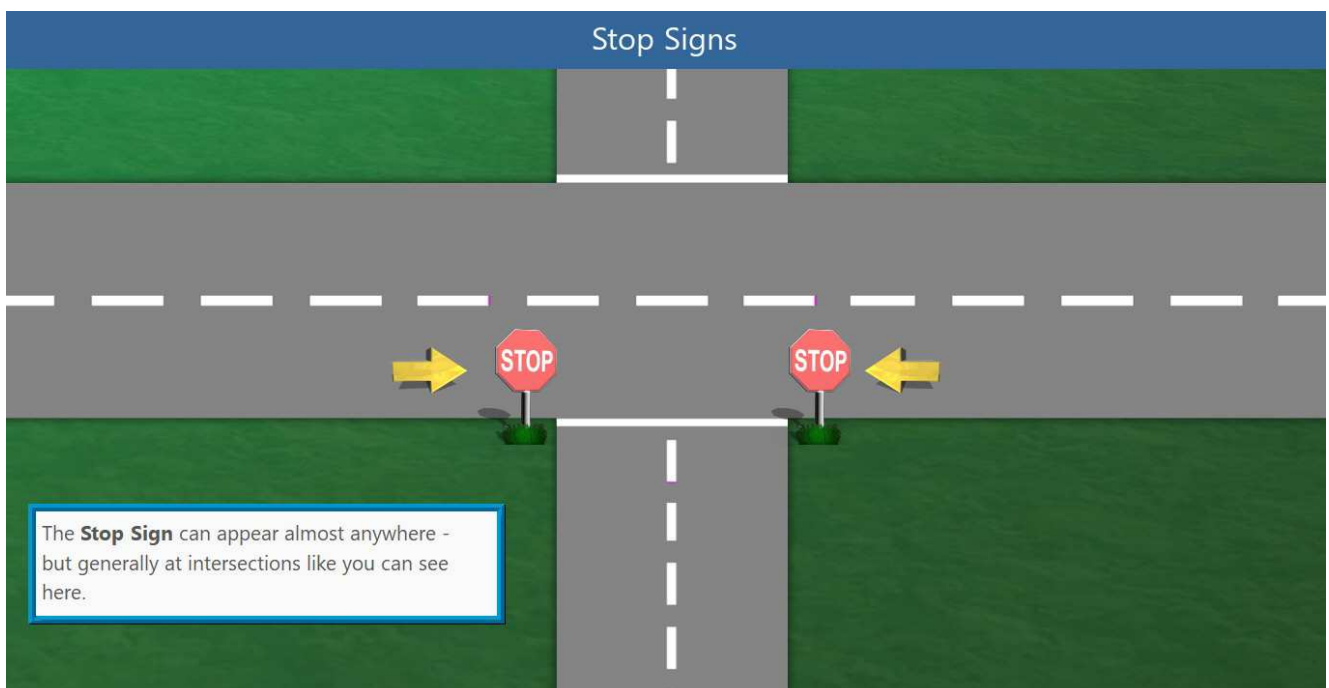

Let's have a look at this more closely.

And when we say **stop** at a **Stop Sign**, we mean it. It does not mean to just slow down, it does not mean to move very slowly through a **Stop Sign - it means stop** - no matter whether other vehicles or pedestrians are around.
